

Research Center Ranchi

Personal Details

Dr. Anuradha Srivastava
Scientist (Food Technology)

Address : ICAR RCER, RESEARCH CENTRE, PLANDU, P.O.-
RAJAUATU, RANCHI- 834 010 (JHARKHAND)

Email-ID: anuradha.fst@gmail.com

Research Interest

Nutritional characterization and value addition of underutilized vegetables

Research Highlights

- Identification of potential underutilized leafy vegetables of Jharkhand
- Antioxidant activity and nutritional evaluation of underutilized leafy vegetables
- Package of practices of potential underutilized leafy vegetables

Memberships / Fellowships

Technology Developed

Publication Details
