ICAR RCER

About Us

The institute came into existence on 22nd February, 2001 with its headquarter at Patna and its regional stations at Darbhanga, Bihar and Ranchi, Jharkhand. Two KVKs at Buxar, Bihar and Ramgarh, Jharkhand are attached to the Complex. Since establishment, the institute has undertaken research work in the areas of land and water resources management, crop, horticulture, aquatic crops, fishery, livestock and poultry, agro-forestry, processing and socio-economic aspects for agricultural development in the region so as to improve the livelihood of resource poor farmers. The institute is engaged in development of sustainable IFS models since 2007 and advocating farming in IFS mode.
