

Institute Research Council Meeting held

The Institute Research Council Meeting was held on 29th July, 2017 under the Chairmanship of the Director, ICAR RCER, Patna to review the ongoing projects, to discuss and to approve new projects to be taken up by the scientists of the institute and its centers. The Chairman in his opening remarks emphasized that our mission should be ‘research for total agricultural development with practical implications’. We need to keep record of aadhar card of the farmers that has been trained or even advised through phone. There was a thorough discussion on the ongoing research projects as well as on new projects with the house. Accordingly, 10 new projects of the institute including its research centers and 3 new projects of NRCIF, Motihari were approved. All the Heads and Scientists of the institute and NRCIF participated in the meeting.

A vote of thanks was proposed by Dr. Shivani, Pr. Scientist, ICAR RCER, Patna.
