

## **RASTRIYA MAHILA KISAN DIWAS, 15<sup>th</sup> October, 2018**

KVK, Mandu, Ramgarh (Jharkhand) celebrated Rastriya Mahila Kisan Diwas on 15<sup>th</sup> November 2018 at Nawadih Panchayat Bhawan of Mandu block of the district. The Programme was started with lightening of lamp by guests and women farmers. Dr. Dushyant Kumar Raghav Incharge, KVK, Ramgarh welcomes the guest and farmers and told about different roles and activities of agriculture and allied sector like mushroom cultivation, livestock production, fisheries, dairy, poultry, goatry, duckery etc. to doubling the farmers income by 2022 with help of woman farmers. Dr. Dharamjit Kherwar, SMS (Horticulture) spokes about importance and role of women in agriculture i.e. nursery raising, nutritional garden, farming of value added crops, timber, bamboo, drumstick etc. for their better livelihood through forming of SHG or in a cluster approach. Mukhiya-, Smt. Bhagwati Devi Nawadih told about women power in every sector especially on agriculture, livestock's production, fisheries and dairy through adoption of new technology by training of women farmers. An important role played by farmer women in all activities of agriculture from sowing of seed to crop harvesting, threshing and marketing or storage, said by Mukhiya-Badgaon village, Sri. K. Ravidas is field agriculture nutrition security. Certificate was distributed among women farmers for their excellent performance/work. During the progogramme former Mukhiya- Nawadih, ward members, SHG coordinators etc. and about 270 women farmers were present. Vote of thank was given by Dr. Dharamjit Kherwar, KVK, Mandu, Ramgarh.
